

0,33-1,5 litre Series ST Ø105

Series 105 ST-can is a traditional cylindrical small can for paint and other chemical/technical products.

Cylindrical Cans

0,33-1,5 litre Series ST Ø105

Series 105 ST-can. The internal coated cans have a ring construction, which offers effective protection against corrosion and is particularly suitable for water-based products. The series includes cans from 0,33 to 1,5-Litre. The external is available in plain, white or decorated to customers' requests. The internal is available in plain or lacquered

Can
